Robroi Neo M. Dingal
Bucana, S.I.R. Phase 2, Juan Luna St, Davao City, Davao Del Sur, Philippines
(+63) 936-269-0603 | robroineo2@gmail.com | robroi-neo.vercel.app | github.com/robroi-neo

Education

University of Mindanao - Main Davao City, Philippines
Bachelor of Science in Computer Science (Ongoing) August 2023–August 2027

- **Academic Honors Recipient** (3 Semesters) — GWA 3.5+, no grade below 3.0

Skills

Technical Skills: HTML, CSS, JavaScript, PHP, Laravel, Python, SQL, SQLite, Git, Figma, TensorFlow, Streamlit, REST API Development, Machine Learning, Tinker CAD

Interpersonal Skills: Team Collaboration, Conflict Resolution, Attention to Detail, Problem-Solving

Projects

Hardware Management System
Laravel, SQLite, Blade, REST API | April 2026 – May 2026

- Developed a hardware inventory and management system using Laravel and SQLite
- Implemented RESTful APIs for inventory operations and data handling
- Built backend logic for Inventory Tracking, CRUD operations, and database management, and Logs

Terraria Agentic RAG Chatbot Helper using Llama 3
Python, Streamlit, Llama 3, RAG | January 2026 – March 2026

- Developed an agentic Retrieval-Augmented Generation (RAG) chatbot assistant for Terraria gameplay support
- Integrated Llama 3 for contextual question answering and in-game guidance
- Deployed the application using Streamlit for interactive web-based interaction

FER 2013 Facial Emotion Recognition.
TensorFlow, Python, Deep Learning | January 2026 – March 2026

- Built a facial emotion recognition model using a customized VGGNet architecture in TensorFlow
- Trained and evaluated the model on image datasets (FER 2013) for emotion classification
- Applied computer vision and deep learning techniques for emotion prediction

Physics Caster
Godot, Game Development | November 2025 – December 2025

- Developed a physics-based game using the Godot engine
- Implemented gameplay mechanics, collision systems, and interactive physics behaviors
- Designed core game systems and player interactions

Certifications

Certiport Information Technology Specialist in Database - March 2025
Certiport Information Technology Specialist in Java - March 2024
